DISCIPLINE & MOTIVATION

Discipline and Motivation Lessons to Help Students Learn from Mistakes instead of repeating them!

- **Detention, Suspension, Truancy and Bully Packets** help students think about what went wrong and discover ways to get back on track.
- **Special Education Discipline Packets** are designed for students in L.D. and B.D. programs. They address minor and major rule violations along with negative attitudes.
- **Motivation Packets** encourage students to work up to their capabilities by overcoming self-defeating behaviors and attitudes.

124 Unique Lessons to Tackle Difficult Student Problems

Computer Files on CD ROM All packets come on CD and are organized by topics for easy use. CDs are compatible with PC and Macintosh® computers. Educators may make as many copies as needed at the purchasing school.

Individualize interventions for rule breakers and unmotivated students with our successful Learning Packet System. Simply match a packet title to a problem and let the improvement process begin! Packets let students:

- ✓ Learn the reason for poor decisions
- ✓ See the consequences of their behavior

- ✓ Discover alternative ways of responding
- ✓ Learn from examples in case studies

- ✓ Interact with the material through goal setting exercises
